Dear Parent/Guardian:

Transportation to most away events is provided by the Somerset Independent School District for students who participate in extracurricular activities at Meece Middle School. With prior written permission, athletes are allowed to leave from an away athletic event with a designated adult if an alternate transportation permission form has been submitted. By signing this form you understand that:

- Transportation is provided by the school.
- Players may be driven by parents other than their own if permission is given.
- Those individuals providing or accepting alternative transportation assume all liabilities and responsibilities associated with doing so.

This form must be submitted and reviewed by administration and the activities director of the school who will file a copy and provide a copy to the coach.
